Last Chance Animal Rescue

61 Shore Drive

Southampton, NY

Re: Spay and Neuter Surgeries

SNIP has been happy to participate with Last Chance Animal Rescue with spay and neuter services for public/rescued animals since January 2011. We have performed over 750 surgeries for their rescue program before they are transported to New York.

SNIP has provided spay/neuter surgeries for dogs and cats for public/rescued animals or for animals that have been adopted by general public. Our limited vaccines and test have been provided for each of these animals at the time of their surgeries.

We look forward to working together with Last Chance Animal Rescue in the future in the cause of reducing the overpopulation of companion animals and the need for euthanizing unwanted animals.

Sincerely,

*June Baird*
